## FROM ORFORD AND GEDGRAVE PARISH COUNCIL

There are still a few days left for parishioners to stand for election to the Parish Council, as candidates need to ensure that completed nomination papers are delivered to East Suffolk Council (formerly Suffolk Coastal District Council) by 4pm on Wednesday 3 April. The election will take place on 2 May. More details and an application form can be found online on the SCDC website, or by contacting the Parish Clerk on 459172 on Tuesday and Wednesday mornings.

## HOUSING IN ORFORD

The New Orford Town Trust wishes to thank all those who responded to the letter in February's Village Voice regarding affordable housing. There was a very positive response, outlining the need for this in Orford.

If anyone meant to put their name forward but has not yet done so you are urged to contact the Town Hall and register your interest, in complete confidence.

We hope that villagers and others will share our hope that we can build up a sufficient fund to enable the Trust to provide more housing for people with a local connection. We believe that the best way to help sustain a healthy community is by keeping families together in the village, which in turn will help to secure the future of the school and other local amenities. In short our invisible 'big society' will still be at large.

Anyone wishing to make a donation can do so. Alternatively, gifts can be made to the New Orford Town Trust by will. In either case we suggest the gift is specially made for the benefit of the NOTT Housing Fund which will restrict the money for this purpose.

Everyone will be welcome at the PCC AGM (Parochial Church Council AGM) on Thursday 11 April at 7pm. It will be held in Bart's Hall in Broad Street, where there will be a free glass of wine or juice beforehand from 6.30pm to meet PCC members. Everyone is permitted to speak, though only those on the Electoral Register are entitled to vote.

The Easter Sunday Service at St Bartholomew's (21 April at 11.00am) will be extra special this year, because Bishop Mike (Mike Harrison, Bishop of Dunwich) will be presiding and dedicating the newly installed Collins organ. There will be an informal reception afterwards and we hope for a large attendance, especially from those who do not often come to church.

You will be similarly welcome at Archdeacon Ian's Visitation which this year is being held in St. Bartholomew's at 7.30pm on Thursday 19th May. This is the occasion when all the churchwardens in Woodbridge Deanery will be sworn in for the year ahead.

#### **ORFORD, SUDBOURNE AND GEDGRAVE FLOWER SHOW**

There is an open meeting of the Flower Show on Monday 8 April at 6.30pm in the Sports and Recreation Club at the Recreation Ground.

#### **Not the 100th Flower Show**

The Flower Show Committee has been looking into the origins of the show and research has found evidence of some form of show recorded as far back as the 1500s and 1870s. Although we don't know much about these earlier times, we do know that around 1919 the show was nearer to what we know today. So, this year – 2019 – the Orford, Sudbourne and Gedgrave Flower Show will be celebrating its longevity. As part of these celebrations we have put together some special prize classes all taken from past schedules with a special prize of £100. The person with the highest number of points in the 10 classes wins the £100:

178	3 eggs
179	6 spring onions
180	3 turnips
181	12 desert plums
182	2 loaves of soda bread
183	3 brandy snaps
184	button hole or corsage
185	6 pansies
186	2 cauliflower heads
187	heaviest potato

We will also be displaying the memorabilia from the museum at the show this year. If anyone has photos of past flower shows please contact Sue Snowdon at Orford General Stores.

#### **ORFORD MUSEUM NEWS**

Would anyone have a use for a Canon iR3300 photocopier which is now surplus to requirements in the Orford Museum office at Unit 3, Potkins Lane? It is far from new and only does black and white copying but is in good working order and we are giving it away. The only stipulation is that whoever takes it would have to transport it.

If you are interested or know of anyone who might be, please get in touch with Elizabeth Spinney, contact details below.

We are also looking for someone with secretarial/computer skills to help us in the office for a few hours a week so if you are interested in earning a little money helping us sort our extensive and fascinating archive, contact details below.

### **ORFORD ORGAN PROJECT: ORFORD ORGAN FESTIVAL 10-12 May 2019, Orford Church**

Orford's first Organ Festival celebrates the inauguration of 'Anna Magdalena' – our Bach-inspired name for the new Peter Collins organ which is under construction in the church. The Festival begins with an Inaugural Recital by the project consultant, Paul Hale: the organist emeritus of Southwell Minster will introduce the organ and will perform music by Leighton, Scheidt, Bruhns, Buxtehude, Bédard, Britten, Franck and Karg-Elert (Friday 10 May, 7.30pm).

In a free Family Concert narrated by BBC Radio 3's Catriona Young, William Saunders of RHS Holbrook will perform Iain Farrington's Animal Parade, with the participation of children from Orford School (Saturday 11 May, 1pm). Munich-based organ virtuoso Bernhard Haas will give an International Recital of music by Buxtehude, Scheidemann, Mendelssohn, Reger, Kurtág and Bach (Saturday 11 May, 8pm). And the Festival concludes with a Choral and Orchestral Concert featuring the Prometheus Orchestra conducted by Edmond Fivet: Orford Church Choir will perform Handel's Zadok the Priest; Jonathan Rutherford is the soloist in Handel's Organ Concerto 'The Cuckoo and the Nightingale', and Catherine Ennis, past president of the Royal College of Organists, performs music by Maurice Duruflé and Poulenc's Organ Concerto (Sunday 12 May, 4pm). Tickets £8-£15. Book online at [snapemaltings.co.uk](http://snapemaltings.co.uk), or in person during business hours at Orford Craft Centre. ### **ORFORD ORGAN PROJECT: Welcome the WOOFYT**

What's in a name, especially when the name is 'WOOFYT'? The word has nothing to do with dog noises – it means 'Wooden

One-octave Organ for Young Technologists'. It's an inspired and original project bridging the gap between the arts and sciences, teaching about the different components of an organ and some of the basic science behind the 'king of instruments' in a completely hands-on way. The WOOFYT has been seen all over the country and is coming to Orford Church on Friday 3 May as part of the community programme for our new organ. Workshops for children from Orford School and Woodbridge are being held during the day, but there will also be a special workshop for adults – participants and spectators – at 6pm that day. You can find out more about the WOOFYT here – [www.woofyt.org](http://www.woofyt.org) – but just turn up and join the fun.

### **APRIL AT THE KING'S HEAD**

Over a quarter of the way into 2019 and it only seems like yesterday that we were wishing everyone a Happy New Year. We sincerely hope that it has been so far. It also means that we make that transition from our Winter Opening Hours to the Summer ones. This comes in to effect from Monday 8 April.

	Open	Food
Mon to Thurs	12.00 to 15.00 17.30 to 23.00	12.00 to 14.30 18.00 to 21.00
Fri and Sat	12.00 to 23.30	- as above -
Sun	12.00 to 22.30	12.00 to 15.00

Work has started on the area in front of Orford Craft Centre to landscape it and get it ready for the coming year. Whilst we are already a little on the drag, it is hoped that we can catch up and have it ready for the Easter weekend. Ever the optimist or glutton for punishment. The aim is to give a nice seating area for you all to relax, and have a drink or a bite to eat.

At the end of the car park Suzanne is busy planting out the allotment area, using the no dig method, as recommended by Nina and Steven from Hay Hay. Chef Dan is already looking forward to harvesting and using some of the products in the kitchen.

March saw a first for Suzanne and Ian – lunch at Orford School cooked by the budding chefs under the excellent supervision of Mrs Phillips. It was a treat to be shown around the school, fed and hosted by these charming young boys and girls. A really enjoyable treat for us – thank you.

Also during March, we were delighted to have the staff of the Royal Academy of Dramatic Arts staying with us and busy filming at Orfordness Lighthouse, Cobra Mist and around the village. These works go towards the final year exams for the students and we wish them the best of luck with this and their future careers.

In the pub we hosted the talented Silbury Hill, who gave us a good night of 'Prog Folk' which was a real blend of their own music, traditional folk music, covers from the 60s and 70s and general good fun. We hope that you enjoyed it. Staying on the

music front, Steven Lay Open Mic Night produced its eclectic array of talent for us all to enjoy and applaud.

Here is a list of what we have planned for April and into May:

*Saturday 20 April, 9pm - live music - The Black & Tan Dog Band*  
Fronted by Julia McCluskey the performance produces a wide range of popular covers spanning decades from the 60s through to current hits. Always a great party feel about the music and fun atmosphere, ideal for the Easter weekend. As with all live music entry is free and everyone welcome.

*Friday 26 April, 9pm - live music - Steven Lay Open Mic Night*  
Does what it says on the label. If you want to play, sing, recite or entertain then just turn up and let Steven know and he will slot you in to the programme. Alternatively, you can just be part of the audience and enjoy the evening, applauding accordingly.

*Thursday 2 May, 8pm - drama - Kiss Me, Help! I Hate You, by Jemima Foxtrot*  
Following the hugely successful 'Horses Horses' production in October, via Creative Arts East and Inncrowd we are delighted to bring you another evening of drama. Written and performed by Jemima the evening tells the story of three very different women in the same pub. It celebrates women, drinking and live performance where the lines between audience and action are blurred. According to The Observer 'the brilliant Foxtrot is one to watch'. So here is your opportunity at only £5 per person, on sale now.

As you can see there's always something going on at The King's Head and we welcome everyone along to come and enjoy themselves. Your generous support is greatly appreciated.

## THE ALDE & ORE ESTUARY PARTNERSHIP: PROGRESS FOR ESTUARY CAMPAIGN

The East Suffolk Internal Drainage Board (ESIDB) presented their costs for the whole estuary upgrade scheme at the drop-in held by the Estuary Partnership at Snape Maltings on 27 February. The overall cost of £26.9 million includes a £5.1m contingency and covers some 44 kilometers of wall from Snape to Shingle Street, taking 7-8 years to complete. Costs are based on a design of an engineering and environmental standard, which is required to attract Government funding (Flood Defence Grant in Aid).

The ESIDB, who are responsible for project managing the upgrade, have been advised that potentially £10.5million of Government funds could be applied for in view of the national assets in the Alde and Ore Estuary. These include Snape Maltings and a wealth of internationally recognised wildlife habitats and, in the lower part of the Estuary, extensive grazing marshes which provide fresh water to irrigate this nationally important vegetable growing area. However, there is no guarantee, even if the Environment Agency (EA) confirm eligibility for Government funding, that it will be allocated.

With a local economy of over £100million per annum, there is a huge economic and environmental benefit to managing the estuary defences for at least another 30 years, making allowances for both climate change and sea level rise in the future. Detailed modelling by HR Wallingford (an independent flood risk consultant) has provided a robust model for the estuary since the 2013 surge and confirms that the works can be delivered in line with the Estuary Plan. This is a pioneering adaptive approach providing over-toppable but resilient defences which will give some 300 homes around the estuary a reduced risk of flooding.

Two years ago, the farmers and landowners raised a £3m loan to provide working capital for the project while other fundraising got under way. They have now resolved that in addition to being used as working capital this £3m will ultimately be donated in full to the fulfilment of the Estuary Plan. They have also raised £1million in cash and pledges. They also agreed, having discussed the issue with The Estuary Partnership and Trust, to withdraw their plans for enabling development as a mechanism for fund-raising for flood defences in the estuary.

The Alde & Ore Estuary Trust, the charity responsible for local fund-raising, is confident that they have identified how to raise the funds. Provided Government funding is achieved, it is anticipated

that £16 million needs to be raised locally over the next 7 years, of which over £4million has already been secured. This will include local levy funding, Community Infrastructure Levy, parish precept, local donors, landowners, charities and Heritage Lottery Fund.

Professor Jane Maxim, Trustee and Funding Group Chairman said "We are delighted that Garfield Weston Foundation has given us a grant of £500,000 of which £100,000 is for match funding. A further charity application will be made this Spring, and we are now beginning to explore a Heritage Lottery Grant application for the lower estuary. We are poised to raise considerable funds, but we will need further support, energy and commitment from the local community".

## EAST SUFFOLK COUNCIL

Monday 1 April will see the historic creation of a brand new local authority, replacing Suffolk Coastal and Waveney District Councils. East Suffolk Council will deliver essential services to local people and communities, from Lowestoft in the north to Felixstowe in the south, and is the natural culmination of a partnership between Suffolk Coastal and Waveney which has seen them save a combined total of over £22 million.

The primary reason for creating this new council is to meet the challenges presented by a hugely pressurised financial and service-delivery environment. Compared with the other options considered, it is the most simple to implement and has involved limited transitional costs. It will enable the new council to grasp more opportunities and deliver its priorities for East Suffolk: financial self-sufficiency, economic growth, and enabling communities.

So what will you as taxpayers see that is different? First, the number of councillors is being reduced from 90 across the two authorities to 55 and the elections to the new council will take place on 2 May. A lot of work has gone in to ensuring that it will be 'business as usual' when the new council comes in to force on 1 April.

Residents will continue to pay their council tax in the same way, refuse and recycling will be collected by the same friendly and efficient teams and a range of important services from Planning and Coastal Management to Housing and Environmental Health will continue in exactly the same way.

There will of course be some changes. A new telephone number is being introduced for the Council's switchboard and customer contact centre: 03330 162 000. This will be a non-geographic number, meaning that callers will be charged at a local rate, no matter where they call from in East Suffolk. And of course, there will be new signs – from the largest logos on the side of our main buildings, to car parks and vehicles. These changes will be made gradually to keep costs down.
