## **GARDENING CLUB**

**Date:** Thursday 1 February 2018

**Topic:** Henstead Exotic Garden

**Presenter:** Andrew Brogan, Owner and Creator

**Time:** 7.30pm meeting start

**Venue:** Orford Town Hall 'Back room'

Andrew created Henstead Exotic Garden 12 years ago from an abandoned nettle-strewn site backing onto ancient woodland. He will tell us the story of how it all came about and how it is today. Those of you who visited this garden last September will agree that it richly deserves its title 'Suffolk's Secret Jungle'! The garden has been featured on BBC 'Gardener's World', National Geographic TV, Channel 5's 'Britain's Best Garden' and Look East as well as in many magazines and newspapers.

Henstead Exotic Garden is a two-acre site, fully landscaped exotic garden which uses dramatic architectural plants and inspiration from Andrew's travels to the Far East and Tunisia. The backbone of the garden are the five plus buildings, including a tropical-style summerhouse and a Thai-style pavilion which is one to two metres off the ground and reached via a 20-foot wooden walkway. There is magical planting with bamboos, banana palms, ferns, trickling water and much, much more...

Andrew will give us an informative and humorous talk which will be well illustrated and we hope he will bring some exotic plants for us to purchase. He will be happy to answer questions about the many aspects of his garden.

*The Gardening Club and 2018...*

We will still be collecting subscriptions at this meeting so please come early if you still have to join for this year. You will also be provided with a copy of the 2018 Programme. I do hope many more members will join us (we were up to 74 in 2017!), for what is planned to be an exciting and interesting year! It is £15 for the calendar year or £4 per session as a guest, if that suits you better. In addition to the published programme of events, we usually make a Spring and Autumn car-sharing trip to a garden...

We also have 3 competitions during the year for the Eric Mason Shield, with the winner being presented at the December meeting.

*Taster for 2018:*

## **THE RETURN OF RUST AND STARDUST**

St. Bartholomew's Church in Orford will be the setting for a new puppet play by Sussex puppet company Rust and Stardust. This young and talented company will be returning to Orford to work with Orford Primary School Arts Award students to develop and present a retelling of the ghostly story of Black Shuck.

The project, to be launched in Spring 2018, will last for 4-5 weeks. Working in collaboration with Orford Primary School, Rust & Stardust will work with the Year 6 Arts Award students to involve them in the creation and performance of a dramatic Suffolk folk tale, Black Shuck.

Over the course of the project, students will participate in weekly sessions to create and rehearse puppets and performances, to be part of the production put on by Rust & Stardust in St Bartholomew's Church, in collaboration with the Thomas Marshall Education Fund. The project will culminate in the Arts Award students participating in two performances in the church. The church may then display the work the students have created.

Following two previous visits in 2016 and 2017 when they provided workshops for the children before performing The Wild Man of Orford and The Green Children of Woolpit to enthusiastic and captivated audiences in Orford Church, they are now returning to work with the students to perform the story of Black Shuck. To witness the characters coming to life in the hands of these skilled puppeteers is a magical experience and something not to be missed. Suitable for all ages.

The company will be presenting performances on Friday 20 April (matinée) and Saturday 21 April in aid of the Thomas Marshall Education Fund so put these dates in your diaries. More details on tickets and times to follow or email contact@tmef.org.uk.

#### **KING'S HEAD NEWS**

January made us shiver – but the wood burner kept us all warm. February is a nice short month, but we are still packing quite a lot in to it.

What a great start for a new event – Open Mic Night with Steven Lay. Fantastic array of talent on show to entertain us all, brilliantly co-ordinated by the uniqueness of Steven. If you have never been to an open mic night before, make sure you put it in your diary. The last Friday of each month starting at 9pm – so for February that is the 23<sup>rd</sup>.

Continuing with live music we have the guitar man and master of classic rock and blues, Steve Boyce is back. This time he will be accompanied by the beautiful voice of Lou. They return on Saturday 17 February and start playing at 9pm. Guaranteed to produce a great sound and create a fun evening. As with all of our music events it is free entry and everyone is welcome.

Quiz Nights continue to puzzle and perplex you. For just £1 per head you get the chance to be tested with a spectrum of questions on a multitude of subjects. This month it is on Thursday 1<sup>st</sup>, starting at 8pm. The question masters for the evening come from the last winners of Lofty, Roger, Wendy and John. Remember that if you win you not only get to scoop up all the monies collected but also the setting of the next quiz. Come along and join in.

In January, Daniel Bunce, Head Chef, came up with a fantastic range of curries and many thanks to all of you who came along, we hope you enjoyed it. There is no food theme night in Feb but it does return with Chinese in March. Bookings are already being taken. It is bound to be popular so book your table early.

If you are interested in joining Daniel and his kitchen team we currently have a vacancy for a Kitchen Assistant. If you are keen to be part of a buzzing and enthusiastic team call in and see us or email your CV to us. We also have a vacancy for a weekend housekeeper, this is to cover Saturday and Sunday mornings. Once again if you are interested, please contact us.

Another first for us is on 8<sup>th</sup> March. We are teaming up with Slate Cheese & Provisions of Aldeburgh and Adnams Cellar & Kitchens of Aldeburgh to host a Cheese & Wine Tasting. Clare & Nico at Slate are coming up with 6 cheeses to tantalise your taste buds and Ali from Adnams has the task of selecting wines to pair with them. Both will be present to talk you through the products and explain some more to you. Tickets are £10 per head available from the pub and is open to over 18s only. If you haven't seen the cheese wall at Slate yet, that alone is worth a trip in to Aldeburgh.

For you sport fans the Six Nations is with us in February and some of the games will be shown live in the bar. Great atmosphere and a beer to cheer on the team of your choice. All with no doubt the classic rugby banter and good humour.

As always, we appreciate all the support you give us and we look forward to welcoming you to the pub.

#### **COMMUNITY ENGAGEMENT ON POSSIBLE VARIATIONS TO THE ESTUARY PLAN**

Community meetings have been arranged to discuss a number of possible variations to the Estuary Plan following the flood risk assessment report by HR Wallingford. It has become clear that consideration must be given to providing some surge tide storage area. Both reports that were completed last year identified the benefits of a 'flood release valve' at Iken to allow water to move onto the land in a surge event which would relieve the water levels in the upper estuary and reduce flood risk to Snape, Aldeburgh and Ham Creek. It will be very important to have your views so please try to come to one of these drop-in sessions:

Orford Town Hall, Thursday 8 March 2-7pm,  
Aldeburgh Church Hall, Tuesday 13 March 2-7pm,  
Snape Village Hall, Wednesday 14 March 2-7pm

Following these drop-in sessions, the Partnership will be holding their Annual Community Meeting at Snape Maltings Recital Room on Saturday 14 April from 10.30am-1pm and there will be a number of presentations to inform and discuss the scheme options under consideration. There are potentially significant differences from the agreed plan and it will be important to have as broad a discussion as possible.

#### **FREE HEARING CHECKS IN WOODBRIDGE FOR THOSE WITH HEARING LOSS**

Ten million people in the UK – one in six of us – have some degree of hearing loss. It's surprisingly tricky to spot gradual hearing loss as our brains are very good at compensating, so we're not even aware of how much we've lost until things are quite far advanced. The good news is that there are things you can do to about it. The bad news is that there are potentially serious consequences if you choose to ignore hearing loss, including an increased risk of dementia.

Local hearing care specialists The Hearing Care Centre, offers award-winning hearing care services from 25 centres across East Anglia. This year they are celebrating their 20th year in business and they hope to continue to raise awareness about the prevalence of hearing loss, its effect on everyday life and the potential dangers of leaving hearing loss untreated.

Audiologist Karen Finch and her team will be holding free 'Hearing Care Centre Open Days' at their local hearing clinic at Framfield Medical Centre between 9am and 5pm on Wednesday 14<sup>th</sup> and Thursday 15<sup>th</sup> February 2018. During the event, they will be providing free hearing assessments (usually £20), along with complimentary professional advice about your hearing test results and discussing possible solutions that could help improve your hearing. All services are available by appointment only.

To book your appointment call The Hearing Care Centre on 01473 230330 or visit [www.hearingcarecentre.co.uk](http://www.hearingcarecentre.co.uk) for more information.
